

February 3, 1976

CLERK: Mr. President, LB 503 was bracketed until February 3rd on January 26th by Senator Fowler and today Senator Fowler has a request to bracket LB 503 until February 10th. Signed Senator Fowler.

PRESIDENT: Senator Fowler.

SENATOR FOWLER: In explanation of the request to bracket it another week, I bracketed it for this day anticipating that some amendments would have been worked out that we could present and discuss. However, there are still some points of disagreement on those amendments so I would ask another week from the body so that we might get some agreement on the amendments. I am talking with people from various school districts about the bill. I might also indicate that if Senators have gotten questions on the bill, they may want to talk to me in the next week because I think these amendments will deal with a lot of the objections that have surfaced recently. I would ask unanimous consent to bracket it for another week.

PRESIDENT: Is there an objection? Seeing none, it is so ordered. LB 413.

CLERK: Mr. President, LB 413 was replaced on Select File with E & R amendments. Those E & R amendments have not yet been adopted, since it was replaced. Senator Anderson has a motion to return LB 413 to Select File also.

PRESIDENT: Senator Dworak, do you want to move the Committee amendments? The E & R amendments.

SENATOR DWORAK: What number please?

CLERK: LB 413.

SENATOR DWORAK: I move the adoption of the E & R amendments to LB 413.

PRESIDENT: Any discussion. All those in favor say aye. Contrary say nay. They are adopted.

SENATOR DWORAK: I move that LB 413 be advanced to E & R for engrossment.

PRESIDENT: You have heard the motion. Any discussion. All those in favor say aye. Contrary say nay. It is advanced. Senator Anderson.

SENATOR ANDERSON: Mr. President, members of the Legislature, the motion that I have on the desk in regard to this bill is to make a correction in the amendment that I offered and was adopted on the 29th of January. The intent that I explained in making that motion was to extend the period upon which the liquor license had to be issued by the Liquor Commission from 30 to 45 days. I have subsequently learned that there was also a fee increase that was included in the amendment and I feel that it is inappropriate that that change be made. So I am asking that that fee increase simply be stricken. The second reason why I believe this fee increase should
